2026 Webinar Series Kicks Off with Two Live Events

NACUSAC’s Spring Webinar Series delivered timely insights to help supervisory committees strengthen oversight and address emerging risks. In *Key Considerations for Your Model Risk Management Program*, the focus shifted to growing regulatory expectations around modeling. Participants received a clear, actionable framework for building and scaling Model Risk Management programs that

support compliance while improving institutional decision-making.

In *Fraud Risk Management for Credit Unions: From Detection to Defense*, attendees explored the evolving fraud landscape and gained practical strategies to enhance prevention, detection, and response through effective governance and controls.

Your Membership, Your Choice—Vote Today

An email was sent on April 21 from invitations@mail.electionbuddy.com inviting members to vote in the 2026 NACUSAC Board of Directors election. Four candidates are running for three open seats. Bios for each candidate have been provided in the e-ballot.

As each member credit union is allotted one vote, the election email was sent to the Supervisory Committee Chair of record. If you are this individual and did not receive the email, please first check your junk or spam folder. If you are still unable to

locate the message, please let us know and we will be happy to resend the election email with your personalized voting link.

The deadline to vote has been extended to Friday, May 8.
